

READY FOR ROMANCE?

The new Marquee Romance Series arrives in our warehouse the first week of the new year, but we predict that they won't be there long! These wines are too catchy and too tasty to sit on anyone's shelf. Secret and Seduction are perfect for Valentine's Day, so make sure that you grab your share, you won't be disappointed! There is no better way to celebrate the sexiest day of the year than with hot wines.

CAN'T BEAT A GREAT CLASSIC

The Classic Series has always been our mainstay, our driving force, our foundation. We pride ourselves on being able to deliver a quality product at an everyday, affordable price. The most recent acknowledgment of our efforts is with the 2005 Classic Riesling being awarded 90 points by the Wine Spectator AND being named one of the Top 40 Great Values of 2006! It is hard not to brag since of the Top 40 list we were: tied for #11 overall, had the #1 Australian white wine, and had the #1 wine in the world at \$10 or less! Needless to say, orders poured in, but the 2006 vintage was bottled in December and promises to be just as good.

DID YOU KNOW?

Before thermometers were invented, brewers would dip a thumb or finger into the liquid to determine the ideal temperature, neither too hot nor too cold, for adding yeast. From this we get the phrase "rule of thumb."

QUOTE OF THE QUARTER

"The wine cup is the little silver well, where truth, if truth there be, doth dwell.
