

NEW RELEASE

New wines, new labels, new look! We are introducing a new series under the Marquee brand – the Romance Series. Secret and Seduction are two big red blends that will catch your eye and please your palate. These wines are mysterious, edgy, and great conversation starters. Whispers will be in the air asking you to share your Secret; and what could be more inviting than to serve Seduction at your next dinner party? Look for them to arrive in Kansas City late November.

HOLIDAY GIFT ORDERING

The holiday season is now upon us! Tired of giving the same tie, sweater, or figurine that somehow finds their way into the garage sale pile once Spring rolls around? Give the gift of rosy cheeks, loose laughs, and full glasses – the gift of wine! Contact Miranda at mbrice@marquee.com for details (some shipping restrictions do apply).
