

# BACKSBERG

## ESTATE CELLARS

### REGION

Western Cape, South Africa

### TASTING NOTES

Bursting with aromas of gooseberry and passion fruit, this lively wine matches aromatic intensity with freshness and balance. Lime and nettle characters predominate the palate, cleverly matching fruit sweetness with natural acidity.

### VINIFICATION

Cool picked. Some time on the skins would be allowed to extract the most flavors. Juice is settled for several days. After a very cool fermentation in s/s tanks, the wine is bottled for early consumption.

### VINTAGE NOTES

Near perfect conditions- warm sunny days and cool rainless nights. This allowed for slow even ripening and flavour development. 100% Sauvignon Blanc.
