## SELECTIONS

# ORGANIC CHARDONNAY

**Region:** New South Wales, Australia

**Tasting Note:** Rich, ripe fruit characters of peaches and nectarine mix softly with fermentation and lees characters in an enticing complexity. Rich, broad Chardonnay fruit blends with sweet lees complexities offering a mouth filling viscous depth of flavour in a complex mixture. The rich fruit flavors broaden in the palate and are balanced by a fine acidity into an elegant clean finish with hints of nectarine.

**Vinification:** 100% Chardonnay, White / Deep golden brown in color. Organically grown grapes.

**Vintage Notes:** The heavy rain that affected other areas of Australia either fell to sea or west of this region resulting in a great year for NSW. Cool weather gave the grapes reasonable acidity and great levels of acid.

**Food Pairing:** Chicken, seafood and Italian dishes.

**Aging Potential:** 5 to 10 years

**ABV:** 12.8%

**pH Level:** 3.3

**Residual Sugar:** 2.0 g/L
