

# BACKSBERG

## ESTATE CELLARS

### REGION

Western Cape, South Africa

### TASTING NOTES

Spicy aromas of liquorice and vanilla with blackcurrant fruit. Careful oaking provides the necessary structure for the ripe, full fruit-driven midpalate. Complex and long-lasting, this wine has depth and power and will improve with further bottle ageing.

### VINIFICATION

The color is extracted from the red skin of the very fruity Grenache grape. Winemaking is then carried out as for a white wine. Cool tank fermented and bottled early to retain freshness. Bottled within the production year in lightweight PET bottles.

### VINTAGE NOTES

Grenache, Shiraz

### FOOD PAIRINGS

A classic Cab that will compliment all meals when a fine red wine is called for, or to end off an evening with rich cheeses.

### WINE NOTES

Carbon neutral

### AGEING POTENTIAL

PET bottles have a 2 year shelf life

### ABV

11.95%

### pH LEVEL

3.06

### RESIDUAL SUGAR

26.2 g/L
